

Hello Sehome Mariner Lacrosse Families & Fans,

We are reaching out to local businesses, our Sehome families and their employers for support by seeking sponsors of Sehome Lacrosse for the 2020 Spring Season.

There are many costs of making this all happen successfully which includes excellent coaching, field use fees for games and practices, sideline equipment, uniforms, scholarships, etc. Our focus is to eventually follow the lead of the Bellingham Promise by lowering the costs to all students who wish to play this great sport.

We are now offering all sponsors web/social media recognition during our 2020 season. We have banner/poster options available as well. You can also remain anonymous with your donation if you prefer.

Our mission statement

Sehome Lacrosse aims to promote self-confidence, leadership and a lifelong enjoyment of sports while instilling core values of discipline, teamwork, sportsmanship, respect and integrity.
